Re: Bid #B7433 Air Filters **First Extension**

Mel:

The Des Moines Public Schools is seeking to exercise its renewal option for the above mentioned bid. This will be the **first extension** (of a possible four extensions) of this option, with the contract period beginning July 1, 2017 and ending on June 30, 2018. Enclosed is a copy of the District's Form of Proposal and Cost summary workbook, detailing the items which were on this bid, as well as the general terms and conditions associated with this bid.

We ask all suppliers to review their pricing structures prior to submitting renewal proposals. The District will again consider any program that may reduce its costs through process improvement, ordering methodology, patterns, etc. Conversely, any planned increase may require the District to employ its option to place the product category out for bid solicitation.

The District appreciates your past service. We look forward to continuing our business relationship with you in the months and years to come. Please complete, sign, and return the following by April 10, 2017:

1. Proposal Form for 2017-2018
2. Completed workbook
