VIRTUAL LEARNING SUPPORT

Full Day Youth Enrichment Program

JOHN R. GRUBB YMCA

The John R. Grubb YMCA is providing supplemental support for Des Moines Public Schools virtual learning students who need assistance while not attending school in person. This program is available for all.

Students from kindergarten to 5th grade will be supported in completing their virtual learning while also staying active and engaged in fun activities throughout the day. During class breaks and after school work is completed, Y staff will provide enriching opportunities. We will get participants up and moving in fun, creative ways to keep children active and engaged!
