

**SCIENCE
CENTER
OF IOWA**

Let SClowa take care of the details of your next community engagement educational event!

Nocturnal Science Nights are available on the second Thursday evening of the month from 5:00–7:30 pm.

Join us in creating lasting memories and sparking a lifelong passion for science. The Science Center of Iowa's Nocturnal Science Night is more than an event; it's an odyssey of discovery, curiosity, and wonder. Book your spot today and let the exploration begin! **Spring dates are filling up quickly so secure your preferred date as soon as possible.**

- **Exclusive Access:** Dive into the world of science with after-hours access to our captivating exhibits.
- **Live Experiments:** Witness thrilling live experiments that bring the magic of science to life.
- **Planetarium Shows:** Take a cosmic journey through our state-of-the-art planetarium.
- **Hands-On Activities:** Engage in interactive displays and hands-on activities tailored for all grade levels.

Ready to book your Nocturnal Science Night?

Each Nocturnal Science Night must be booked at least three weeks in advance and costs \$6.50 per person with a minimum of 200 people. A non-refundable deposit of \$1,300 holds the date.

Covered garage parking is available just across the street from SCI's main entrance at 4th and Market Street. Hourly rate is \$3 for the first hour, \$1 for each additional hour. We also have bus parking available for free should you choose to organize bus transportation for your group.

To schedule a Nocturnal Science Night, please fill out the following booking form and click submit at the bottom of the form.
